

Waechter's Fine Fabrics, 9-D Reed Street, Biltmore Village (best to take Ashland/McDowell Street) to Biltmore Village because of the road closed over the Bridge on Biltmore Avenue by the train tracks. Reed Street is the side road off Sweeten Creek Road between Fig's Restaurant and J. Crew; cross over the one train track (no signal) and a very small bridge. Waechter's is on the far right of the connected brick warehouses; store sign near the top of the building.
