

## SUPPLY LIST: ANTIQUE ROSE STAR BARBARA BLACK

Learn to cut shapes out quickly, and hand or machine piece simple units. Machine piece for fast assembly – the EASY way to make Y-Seams will amaze. See new variations too. You can make this quilt by hand or machine, you decide – both can be taught in the same workshop. Use your favorite fabrics, and this will be your favorite quilt. Templates are required.

The \$20 kit includes a set of Templates and Barbara's handout. If templates are purchased in advance, pattern will be \$5. Barbara will bring 15 of each size templates, so students can choose which size they want — if everyone wants the same size, she won't have enough for that. Barbara advises that most prefer the 3" size, some prefer the 2" size and some decide to buy both sizes. The 3" size is the best for class. Often, people change their mind when they see both sizes.

### FABRIC REQUIREMENTS:

Each star takes 6 different fabrics, light, medium and dark. Fat Quarters will work fine. Select at least 3 sets of 6 fabrics so you can get 3 stars made in class.

### SUPPLIES:

- Sewing Machine, foot pedal, power cord, extra needles
- **MUST HAVE: Perfect Patchwork Template Kite and Crown 3" set, #8288 OR 2" set, #8287. The 3" set makes a 20" block, the 2" set makes a 13.5" block. These can be purchased as part of the kit, or online in advance: <https://frommarti.com/collections/products-templates>.**
- Sewing Thread, 100% cotton thread, neutral gray or beige, Masterpiece or Aurifil recommended
- Scissors
- Micron .05 Pen Black
- White Chalk Pencil, like Sewline, Bohin, or Fons and Porter for marking on wrong side of dark fabrics
- Basic mechanical pencil for marking on wrong side of light fabrics
- Paper and Pencil—for notes
- Stitch Ripper
- Rotary cutter
- Rotary Cutting mat: Size to cut strips, either 12" x 18" or 18" X 24" AND Small: Rotating if you have one. Any small mat will do.
